HOW DO THESE APPOINTMENTS HELP YOUR CHILD?

- Thorough examination of their current dental health to catch developing problems early
- Fluoride treatment to help prevent tooth decay and strengthen their teeth
- Checking for signs of mouth cancer for early detection
- X-rays, where clinically necessary, for a thorough examination of their oral health.

We believe this results in the complete package to maintain your child's oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future. Please speak to any member of the team if you would like more information or for details on how to register your child.
